A world leader brand - **Snap-on**  
THERE IS A DIFFERENCE™

Established in Kenosha, USA, in 1920, Snap-on is a global symbol of trust, innovation and quality. With more than 1500 products in line, an annual sales of \$2 billion+, Snap-on Incorporated is the acknowledged world leader in providing tooling solutions to industries across the globe. It is present in more than 150 countries, employs over 13000 people and has over 40 major manufacturing and distribution centers globally.

A leading global innovator, manufacturer and marketer of high quality tools, diagnostic and equipment solutions, Snap-on has been recognized by Forbes magazine as one of the '400 Best Big Companies in America'. It has been named the 'Number One' in manufacturing, four times in the last five years.

As part of its growth plans for Asia, Snap-on Incorporated has established a 100% wholly owned subsidiary in India. Snap-on Tools Pvt. Ltd. has its corporate office in Gurgaon, near New Delhi.

The Company began its operations in September 2003 by introducing a broad range of Hand & Power tools and Tools Storage equipment. Soon it acquired three leading equipment manufacturers - Hofmann, John Bean and Bahco to launch Auto Diagnostic & Shop Equipment and Sawing products in the market.

In less than three years, it has established itself firmly in the Indian market. Its success can be measured by the fact that its sales jumped from 50 lakhs in 2004 to 7 crores in 2005. Today, it is playing the vital role of instruments of change to the rapidly growing Indian market.
